

AE-DN2016-F3

1080p HD Dashboard Camera

- 1080p, 135° Diagonal
- Mic and Speaker
- GPS w/Optional Info Overlay on Video
- Wi-Fi and Phone App
- G-Sensor Locks Recording Upon Crash/Strong Vibration
- MicroSD Card, up to 128 GB
- Magnetically Connects to Bracket
- Plug-and-Play
- Automatic Recording After Power on
- Low Power Consumption and High Performance

The Hikvision AE-DN2016-F3 1080p HD Dashboard Camera is a high resolution automotive dash cam that features easy installation and operation. The device communicates with its phone app through built-in Wi-Fi.

The built-in G-Sensor automatically locks the currently recording video when it senses a crash or strong vibration, to prevent it from being overwritten. MicroSD cards up to 128 GB are supported.

The built-in mic and speaker records and plays back audio. Optional Bluetooth is available to control the unit remotely.

The magnetic connection to the bracket and plug-and-play setup makes installing and using this dash cam incredibly easy.
